Have you ever stopped to think about how you will be remembered after you're gone? Will it be as a loving wife, a nurturing mother, a faithful Christian, a loyal friend? Just as King David of the Old Testament is remembered as a "man after God's own heart," in this women's Bible study presented by Elizabeth George, you'll learn how to become "A Woman After God's Own Heart" by discovering balance and fulfillment in every area of your life. After viewing the 30-minute introductory video lesson the first week, participating women will complete five personal "A Woman After God's Own Heart" Bible studies during the following week, then return to the next group meeting to discuss the passage. The discussion is then followed by the second video lesson in which Elizabeth George teaches on the previous week's passage.
